GOODY FOR GOODIES

Baked Cheddar Toast

1 c Heavy Or Whipping Cream
1 c Cheddar Cheese; Med. Shredded
1/2 tsp Nutmeg
1/4 tsp White Pepper
4 ea Eggs well Beaten
12 ea Bread Slices; White

In the top of a double boiler, combine the cream, cheddar, white pepper and nutmeg. Stir over hot water until the cheese melts and the mixture is well blended. Remove from the heat and cool to lukewarm. Generously butter a large baking sheet and set aside. Cut the bread slices diagonally and dip each triangle into the cheddar mixture. Place 1/2-inch apart on the baking sheet and bake until browned and bubbly, about 15 minutes. Serve hot.

The average pencil is seven inches long, with just a half-inch eraser - in case you thought optimism was dead.

Promise Yourself

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best, and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
