President's message:

This is a really good time to bring a friend.
The Blades, the decorating and the volunteer tent
are great places to introduce HCO and what we do
and how much fun we have.

GOODY FOR GOODIES

SULFURIC ACID SWIG

6	oz	Lemonade, frozen concentrate --partially thawed
1/2	c	Lemon juice
1	c	Grapefruit juice -- cold
2	qt	Lemon sherbet
1	qt	Club soda -- cold

Recipe by: Creepy Cuisine, Lucy Munroe

In a large pitcher, mix together the lemonade concentrate, lemon juice and grapefruit.

Add to this the amount of water required on the lemonade can.

Pour the liquid into tall glasses, filling them halfway, and add a scoop of lemon sherbet to each. Fill the glasses with club soda and serve immediately.

Just before serving, sprinkle the top of each glass with a pinch of lemon or lime-flavored powdered drink mix.

Makes for a totally toxic-looking treat!

Name that tune:

**“So get a witches shawl on
A broomstick you can crawl on
We're gonna pay a call on...”**

Promise Yourself

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best, and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
