CHILDREN'S FESTIVAL

Weather was great. Good turn-out by patrons. We were a little short of volunteers.

CAMP CIRCLE O' FRIENDS

Saturday, June 21st Road Trip

Contact: Brent C.

This is a camp for kids with cancer. There is no charge to the family so the camp depends on the generosity of donations. It's a great chance for the kids to get away and BE a kid, and the family to get a much needed break. There is a top notch medical team on board and several counselors. We have outfitted a room with furniture and continue to offer support, mostly in-kind. The office administrator Gayle was the guest speaker (with a power point of pictures) at last year's Ladies Autumn Gala. Yes, tears and applause all around.

This year the camp is having variety night with the theme "Everyone is a star". We are going to variety night and giving ALL campers a star medallion inscribed on the back "Everyone is a Star. Camp Circle O' Friends 2014". They are hung from a lanyard that says "Hub City Optimist Club".

This is a road trip to the camp. Car pools are being created. Map with directions are an attachment. Everyone is encouraged to come out and bring a friend.

This promises to be a lot of fun! Now **that's** "Bringing out the best in kids".

LANGHAM PARADE

Saturday, June 21st Community Service Vehicle only

Contact: Ralph K.

Every year Langham has a parade. Our service vehicle will be joining in. All we need is a driver and that we have, so no other Optimists are required.
