Message from Past President Brent

Thank you everyone for a great year. I have enjoyed being President and am proud to support Dave in the upcoming year. A president is only as successful as its members, and I am confident this will be a very successful year.

President's Welcome

I would like to welcome all members of the Hub City Optimist Club back for another year of service to the youth of Saskatoon. I am very honoured to be the President of the HCO for the 2014/2015 year.

It will go by very quickly as we have many things to accomplish this year.

Thank you to Brent Card for his capable leadership for the past two years. The Club is in good shape and we can look forward to growth and greater service to the youth in our community in the future. We have just added four new members in the month of October. That doesn't mean that we stop recruiting new members! Each optimist member has a positive effect on up to 46 children in the community. A good example would be our mentorship program with Sutherland School.

We have a positive effect on over 300 children.

This is my 15th year as an Optimist Club Member. I hope you will share my pride in the power of our club to get things accomplished. Over the past 15 years I have seen the Hub City Optimist Club accomplish many good things for Saskatoon's youth and for ourselves. It takes the effort of all of us to make things happen so, I invite all of you to participate with me in fellowship and service to Saskatoon's youth.

2017 will be the 25th anniversary of the Hub City Optimist Club and one of the things we need to get started with is our anniversary celebration. We will celebrate the commitment of all of our members, present and past that have worked together to make a very powerful positive contribution to the Saskatoon Community.

If you have questions about the club or need help with any club related project please call me and we can obtain answers as quickly as possible.

The Optimist Creed

Promise Yourself

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best, and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
